We're working on mapping 2024 activities from the logic model to these criteria to identify what captured within these standards.

Additionally, the human resources and financial resources are not entirely relevant in current form (a voluntary parts of our work are not currently organization operating on hope and goodwill of young and emerging professionals that care about one another). If these are goals that we should be aiming to meet, we would likely need to establish a 501c3 non-profit to ensure that there is at least a part-time role dedicated to this work and maintaining consistent funding sources.
